

Template Mail for contacting Coaches English

Dear Donatues,

On website, I noticed you offer to get in touch with different mentors.  
Would it be possible for me to connect with *[name coach]*, as I see they have the following skills *[list why you find it interesting to connect with him/her]*.

I struggle currently with *[XX]*, and I believe the skills from the coach would help in *[this]* way.

I hope to hear soon of you!

Kind regards,
